The contest is executed as military extra-shooting as per the valid appointments and according the safety regulations (regulation "SihBS") of AAF. Shooting is permitted only with ear protection, which is provided at the shooting stand. Private ear protection is permitted. Stand-alone plying with arms and ammunition is prohibited! Directives, given by safety personal who is labelled with yellow, red, blue or white armbands, are to follow without fail.

#### Liability exclusion:

Each participant engages oneself with the participation on the international shooting contest to waive an enforcement of any claims against the republic of Austria and/or the organizer. With the registration the liability exclusion is acknowledged. Possible modifications are reserved for the organizer and the participants are informed in time. The contest takes place at all weather conditions.

Each participant agrees with his participation at the international shooting contest that his personal data, name and photo is published on the homepage [www.uog-lale.at](http://www.uog-lale.at) to publish the results of the contest.

## 7. Time table shooting:

### Friday 2018-07-06

**shooting time:** 1200 to 1600 shooting range VÖLTENDORF

It is intended to execute the shooting already on Friday for all participants arriving from the west because they are travelling on the A1 (Westautobahn) and the shooting range VÖLTENDORF (exit ST. PÖLTEN SÜD) is placed near by the A1. So we can coordinate the order of the contest in a better way.

**special contest:** 1300 to 1630 LANGENLEBARN for all already present participants
